Dynamics of Life and Society
Joint conference of TREE and SHP
8–9 June 2027, Bern, Switzerland
https://www.tree.unibe.ch/events/shp_tree_2027/

The Swiss Household Panel (SHP) and Transitions from Education to Employment (TREE), two of the longest-running panel studies in Switzerland, are jointly organising a conference to be held **on 8–9 June 2027 at the University of Bern**.

The interdisciplinary conference will include thematic sessions on a wide variety of topics, including education and labour market pathways, development of health and well-being, socio-economic inequality and mobility, family formation and dynamics, gender, ethnic minorities and migration, politics and attitudes, and methodological issues in longitudinal surveys. The language of the conference is English.

We welcome contributions based on longitudinal data, whether from Switzerland or abroad, from all areas of the social sciences. In addition to paper submissions, we also offer the possibility to propose an entire session (a 90-minute symposium comprising three to five related presentations).

Deadline for submissions is 15 January 2027.

Please submit your paper presentation or session proposal at https://www.conftool.net/shp-tree-2027.

Paper presentation proposal
Please provide the following information:
- The names, affiliations, and e-mail addresses of the authors;
- The title of the presentation;
- An abstract of around 200-300 words.

Session proposal
Session proposals should include three to five paper presentations. Please provide the following information:
- The names, affiliations, and e-mail addresses of the session organizers;
- The title of the session and an abstract of around 200-300 words;
- For each paper in the session: The names, affiliations, and e-mail addresses of the authors, the title of the presentation, and an abstract of around 200-300 words.

Confirmed keynote speakers

Anette Fasang, Humboldt-Universität zu Berlin
Moris Triventi, University of Milan

Pre-conference workshop (7 June 2027)

On 7 June, the day before the conference, we will be offering a data workshop for researchers interested in SHP and TREE data. Further information will be provided on the conference website.
