Summer Program, University Alliance Ruhr. Apply until: March 1, 2020

Research Explorer Ruhr (RER) is a two-week summer program for international doctoral researchers, who have submitted their doctoral thesis, and early postdoctoral researchers interested in exploring the research landscape of the University Alliance Ruhr with its three members Ruhr-Universität Bochum, TU Dortmund University, and the University of Duisburg-Essen.

Join in and explore research opportunities at our most excellent chairs and institutes. Benefit from workshops on postdoc funding schemes and research career options in Germany! A series of networking events and guided excursions will help you becoming acquainted with the thriving Ruhr Area as a potential place to work and live.

The program is conducted entirely in English and the invitation includes travel expenses and accommodation.

Call 2020: The next Research Explorer Ruhr will take place from **14 to 27 June 2020**. The call for international applications is **open until 1 March 2020**.

Here you will find the profiles of the participating professors
