

Sustainability and the Sharing Economy – Nightmare or Transformational Innovation?

Veranstalter Universität Hamburg

Termin 31.05.2018 18:00 Uhr - 20:00 Uhr

Öffentlicher Vortrag in Hamburg

Juliet Schor (Boston): Sustainability and the Sharing Economy - Nightmare or Transformational Innovation?

Juliet Schor works on issues of sustainable consumption and production. Currently, she is especially studying the emergence of the sharing economy. In this talk, she will analyze the environmental impacts of "sharing platforms" in comparison with small scale, community sharing.

Der Vortrag findet im Raum 250, Allendeplatz 1 statt.
